WELV Dare to Lead™ Cohort

AUGUST 11, 13, 18, 20, 25

WELV members have the opportunity to participate in the first members-only Dare to Lead™ cohort. Dare to Lead™ is a courage building program based on the research of Dr. Brené Brown. The most significant finding from Brené's latest research is that courage is a collection of four skill sets that are teachable, measurable, and observable. The Dare to Lead™ program focuses on developing these courage building skills through workshops, trainings, and coaching to help individuals, teams, and organizations move from armored leadership to daring leadership. Schools and districts need brave, courageous, vulnerable leaders at all levels to create a safe and equitable school experience for all students, staff, and the community in which you serve.

The program includes:

5 online sessions via Zoom at 3.5 hours per session to include breaks

Homework assignments with an accountability partner between sessions

Pdf Dare to Lead™ workbook to be downloaded and printed by participants

Individuals who successfully complete the full 24-hour Dare to Lead™ program are allowed to put the Dare to Lead Trained badge on their LinkedIn account.
